CLR color crema colorante

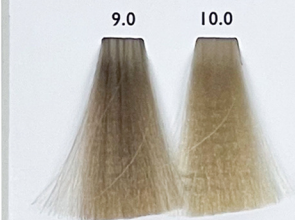

CLR COLOR è la crema colorante formulata dalla ricerca Evelon Pro per rispondere ai bisogni degli esperti del colore: costituita da pigmenti altamente puri, rigenera la fibra capillare attraverso la formula con Olio di Argan e Aloe Vera, attivi dall'azione emolliente, lucidante ed idratante. Copre perfettamente i capelli bianchi e garantisce un colore intenso e brillante.

CLR COLOR is the colouring cream created from Evelon Pro's research to meet the needs of colour experts: made using very pure pigments, its Argan Oil and Aloe Vera formula regenerates the hair fibre as well as providing enhanced softness, shine and moisture. Covers white hairs perfectly, and guarantees intense, shiny colour.
